

## October 2020

### General Manager's Report... Jeffrey Spagna, CCM

Summer is now behind us and with it went the plans for many great events we had scheduled. But that surely doesn't mean there will be a shortage of special activities during the month of October and beyond. Here is a snapshot of what awaits you.

Mixed Couples Tournament... Friday, October 9th... eighteen holes of friendly, yet competitive golf followed by cocktails and a delicious optional buffet dinner. The Quencher Center will be out on the course with all of the appropriate beverages as well.

Member and 1 or 3 Guests Tournament... Wednesday, October 14th... with cocktails and an excellent optional buffet dinner waiting for everyone in the clubhouse. Once again, the beverage cart will be on hand to quench everyone's thirst while you're out on the course.

Chef's Table Friday, October 16th... this very popular gourmet dining event features a fantastic, creative six course dinner, with outstanding wines chosen specifically to be paired with each one... whether it's red, white, or sparkling. Reservations are taken on a first come first served basis before a waiting list begins. The incomparable Mr. Thomas Holten and Miss Vickie Guiliano will be our host wine experts.

"Italian Night"... Friday, October 23rd... an irresistible menu will be created by our culinary staff and will be highlighted by an array of Italian specialties. And of course, complimentary antipasto will be served to your table.

Annual Awards Banquet... Sunday, October 25th. All of this year's winners will receive their awards as we celebrate their accomplishments on the golf course. Bring the entire family as awards will be presented for many classifications and a special menu will be available for those who would like to stay for dinner.

Jeff

### News from the Golf Pro... Bob Sedlak

Don't put your clubs away yet! As we move into October and continue to enjoy excellent weather, please keep in mind a few of the great events we have scheduled for this month, including the Rick Levy Fall Classic, the Senior Member-Guest, Awards Ceremony / Three Club Tourney, and a couple Member-Guest events. Please contact the golf shop with any questions regarding these events.

#### Sportsmanship Award Nominees

The sportsmanship award is presented to a player demonstrating integrity, consideration for other players, abiding by the rules, conducting himself in a disciplined manner and showing sportsmanship at all times. The winner will be announced at the Awards Ceremony on October 25<sup>th</sup>. The following members have been nominated:

Paul Hirschler

T.J. Couzens

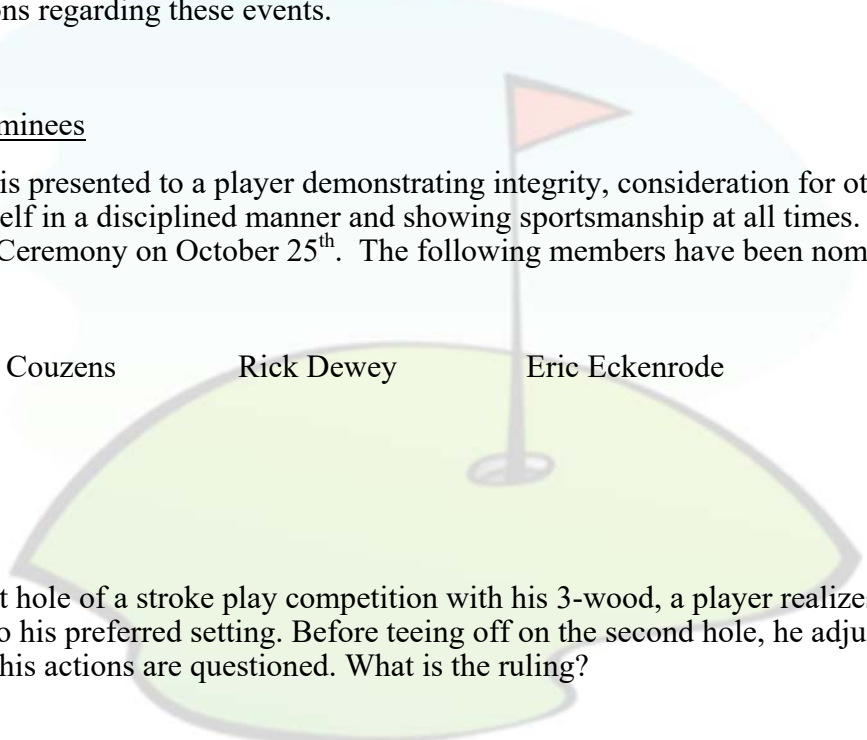

Rick Dewey

Eric Eckenrode

Tony Costanzo

#### Rules Quiz

After teeing off on the first hole of a stroke play competition with his 3-wood, a player realizes that he forgot to adjust the weights on his driver to his preferred setting. Before teeing off on the second hole, he adjusts the weight on the driver. Before he tees off, his actions are questioned. What is the ruling?

**CTH #10: 22' 2"** Gary Sebastianelli

## News from the Superintendent... Gino Marchetti

This month we completed aerification on greens, approaches and fairways. Everything went as planned and everything is healing well as of this writing. I am hoping that they do not take too long to heal over.

We will be starting our winter preparations on the course soon. This includes raising the heights of greens, weekly topdressing, and potassium applications to the greens. I hope that we have a winter like last year so we can get an early start to 2021.

Please remember to fill your divots on fairways and repair ball marks on greens. Every little bit helps us out.

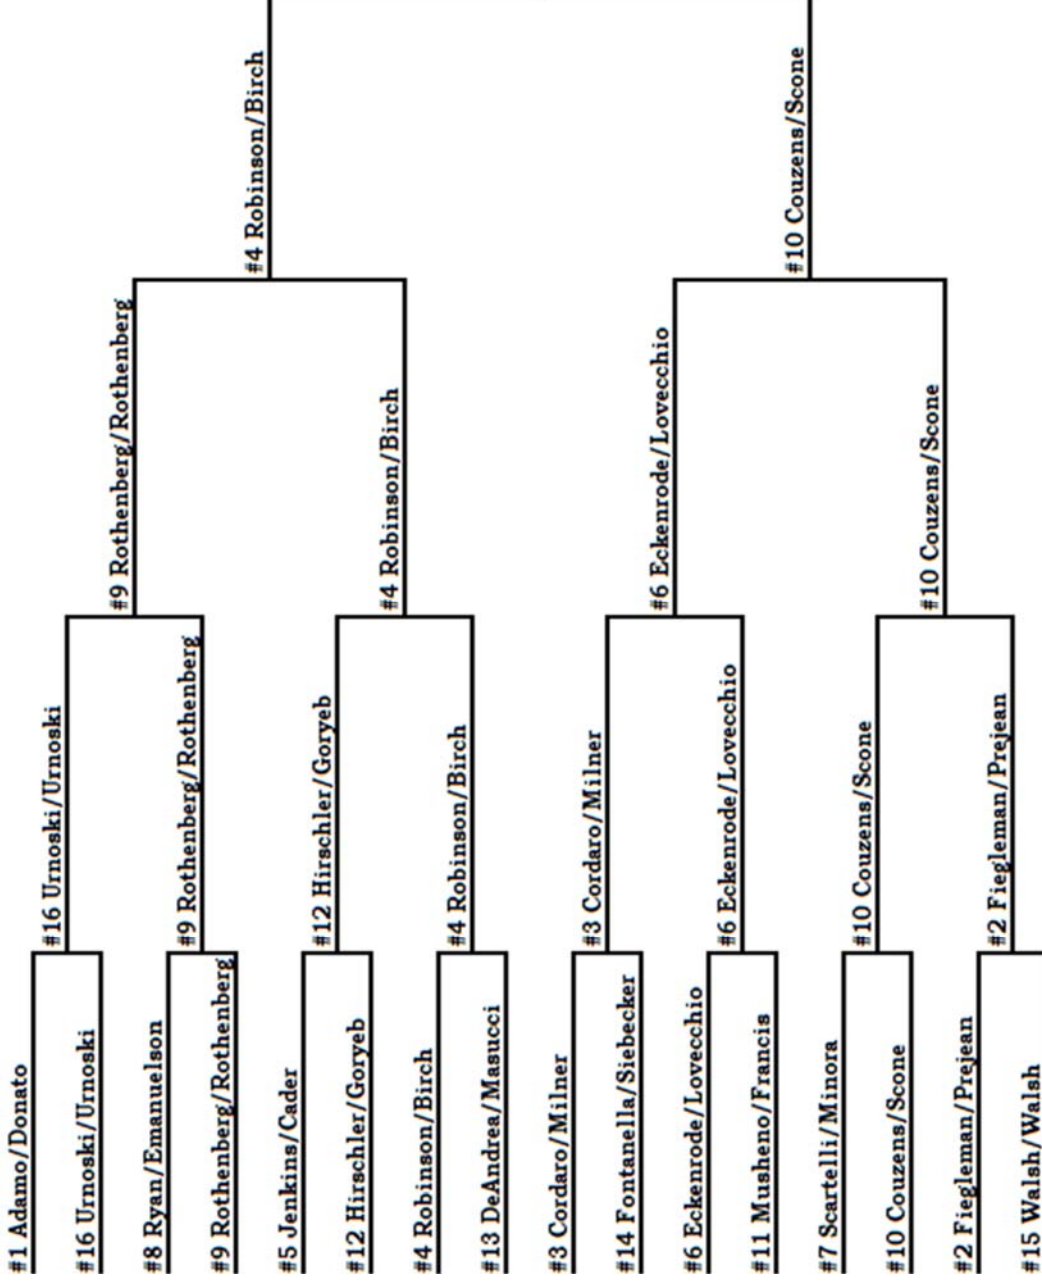

Thank you.  
Gino Marchetti

# Thursday Scratch League Playoff Results

## Blue/White Division

### Rules Quiz Answer

Since he did not make a stroke after adjusting the weight, he may change the driver back to its configuration at the start of the round with no penalty and may continue to use it after that.

Rule 4.1(3) prohibits deliberately changing a club's playing characteristics during a round. However, if characteristics of a club were changed **prior to making a stroke** the player may change it back as near as possible to the original setting, and use the club thereafter.
